

Remarks

Claims 1-21 remain pending in the application and have been allowed.

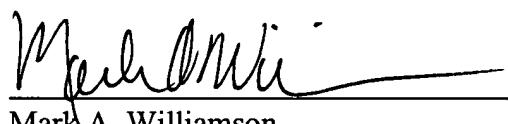

The specification and Claims 1-8, 10, 11 and 14-21 are proposed to be amended herein to correct minor errors and improve their form. For example, the change in dependencies of Claims 11 and 19 is to provide clearer antecedent bases for certain terms. The changes are not proposed to be made for any reasons related to patentability.

It is respectfully submitted that the proposed amendments do not add new matter and do not affect the allowability of the application. The need for the proposed changes was only recently discovered and their entry would not place undue burden on the Patent and Trademark Office.

Favorable consideration and entry hereof are earnestly solicited.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,
